

Vision Pacific Contracting Ltd.  
PO Box 1305  
Whistler BC V0N1B0  
*"Building with Passion and Integrity"*

March 20, 2020

Following the updates and directives of Worksafe BC, Vancouver Coastal Health and the Vancouver Regional Construction Association, Vision Pacific will maintain its construction operations.

We are continually following the measures and protocols that are being provided daily to ensure the health and wellbeing for our employees, subcontractors and clients.

If you are feeling ill and are presenting any symptoms of fever, cough, sneezing, sore throat or difficulty breathing you should begin a period of self-isolation and utilize the BC COVID-19 Symptom Self-Assessment Tool developed by the BC Ministry of Health <https://covid19.thrive.health/>. If you have had close contact with a person with symptoms you should also begin a period of self-isolation and self-monitoring for symptoms.

We are also strictly advocating the recommended personal hygiene practices like frequent hand washing, avoiding touch your face, and avoiding direct contact with others. Hand sanitizer is provided as well as disposable gloves and cleaning products. We are working towards providing portable hand washing stations as well.

Social distancing means maintaining two meters of separation between workers and not congregating during break and lunch times. As our sites are contained with small size crews, we believe we have the ability to minimize the risk of infection at work. Practicing these policies off-site will also be paramount to sustain our ability to work.

All workers have the right to refuse work if they believe it presents an undue hazard and Vision Pacific supports this individual choice. The Government has stepped up its provisioning of EI benefits for sick leave, increases to Canada Child Benefit amounts as well as the Emergency Care Benefit. Information regarding these economic measures can be found [https://www.canada.ca/en/department-finance/news/2020/03/canadas-covid-19-economic-response-plan-support-for-canadians-and-businesses.html#Support\\_for\\_Canadians](https://www.canada.ca/en/department-finance/news/2020/03/canadas-covid-19-economic-response-plan-support-for-canadians-and-businesses.html#Support_for_Canadians)

Our offices will remain open with intermittent hours. The best way to contact us is via email: [admin@vispacific.com](mailto:admin@vispacific.com) or directly through your Site Supervisor.

Let's work together to stay safe!
