

Vision Pacific Contracting Ltd.
PO Box 1305
Whistler BC V0N1B0
"Building with Passion and Integrity"

NOTICE TO ALL SUBCONTRACTORS

These guidelines must be followed at all Vision Pacific sites to reduce the chances of becoming infected and/or spreading the covid-19 virus.

- Wash your hands as soon as you arrive.
- Provide your staff with masks to use for when physical distancing is not possible.
- Avoid touching your eyes, mouth and nose.
- Check-in with yourself each morning, if you experience any of the following symptoms: fever, chills, cough, shortness of breath, sore throat, painful swallowing, stuffy or runny nose, loss of sense of smell, headache, muscle ache, fatigue or loss of appetite, **STAY HOME.**
- Show up during scheduled times only.
- Have a work plan of the job to be performed ahead of time, communicate any additional needs to the Project Manager prior to your visit.
- Limit the amount of people on site to ensure everyone is able to keep the required distance.
- Hold all meetings outside ensuring there is enough space for everyone to be 6 ft apart from each other.
- Refrain from entering sea cans.
